

UNITED STATES AIR FORCE ACADEMY

CADET MEDIA CLASS OF 2022 BASIC CADET TRAINING YEARBOOK ORDER FORM

The first few days at the Academy tests a new cadet's endurance, both physically and mentally. It's called Basic Cadet Training, or BCT. Cadets call it "Beast" because it's like getting devoured by a wild animal. Every day they hit the ground running, from early morning until late evening. Upper-class cadets, under the supervision of active duty military personnel, lead basics through BCT, helping make the transition from a civilian to an Air Force Academy cadet.

The BCT yearbook gives fourth-class cadets and their families the opportunity to look back with pride and remember their hard work and accomplishments.

One copy of the yearbook is automatically distributed to each basic cadet who completes BCT; however, if you would like to purchase any additional yearbooks, please complete the form on the reverse and submit it to our office. The yearbook will be ready for distribution in approximately November.
