We will take you through the state licensing process and get you certified as a CO state raft guide so you can be on the river all summer long! This training is physically demanding, mentally stimulating, and a great way to learn new skills and become part of an incredible community of USAFA guides. Our guides are comprised of enlisted, civilian, and officer alike and are among the best guides on the river. Raft guiding is a lifestyle and if this sounds fun and exciting to you, come in for an informational meeting on Tues. March 16th at 5pm here at the Outdoor Rec. Center and we will tell you all about it!
