

CONGRESSIONAL AWARD

The Congressional Award is a public partnership created by Congress to promote and recognize achievement, initiative and service in America's youth ages 14-23 years old. This award provides a unique opportunity for young people to set and achieve personally challenging goals that build character and foster community service, personal development, and citizenship in four program areas: Volunteer Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. Participants earn Bronze, Silver and Gold Congressional Award Certificates and Medals. Earning The Congressional Award is a fun and interesting way to get more involved in something you already enjoy doing or something you'd like to try for the first time.
